

Help make

TAVISTOCK BLOOM

The Chamber of Commerce **NEEDS YOU** to help in our continued efforts to make Tavistock spectacularly colourful this Summer, by committing to a

HANGING BASKET

organised through the Chamber of Commerce.

As with last year, we will be using environmentally, water-efficient Hanging Baskets, which as a consequence only need watering every other day.

The baskets will be put up in late May to early June, and then taken down in October.

If you had a Hanging Basket last year, you will already have the required 'heavy duty' bracket on which to hang this year's Basket.

COST BREAKDOWN

● For **EXISTING** Businesses: Cost per hanging basket - £35

● For **NEW** Businesses to the 'Bloom Campaign'

The baskets used - when filled with plants, also hold a reservoir of some 3 gallons of water in the base of the unit - weigh over 20 kg. Hence we use a bespoke 'heavy duty' bracket, fixed up by an external contractor.

Cost of bracket & fixing - £25

Cost of hanging basket - £35

Total - £60

To place your order

Please complete this reply slip & return in the envelope provided.
